

NOTE: Protective Measures are cumulative and build from GREEN to RED. You may elect to use any or all of the recommended protective measures based on your particular situation. You may also elect to move a protective measure to a different alert level.

Action Number	Checklist		YELLOW - ELEVATED (SIGNIFICANT RISK of terrorist attack) Recommended Protective Measures:
	Yes	No	
Y-1			Disseminate the YELLOW advisory and share pertinent information related to the Homeland Security Threat Condition with state agencies/offices and government officials.
Y-2			Continue all measures listed in the Homeland Security Threat Condition GREEN and BLUE Advisories.
Y-3			Implement critical infrastructure facility security plans, as appropriate. Assess potential terrorist targets and develop additional plans, if necessary, to counteract an attack. Conduct additional vulnerability assessments of each critical facility and government building, as necessary. Assess the consequence of loss and assign a priority for their protection. Meet with appropriate representatives of critical infrastructure facilities to review contingency and evacuation plans and brief employees, as appropriate. Possible security recommendations or considerations include: <ul style="list-style-type: none"> <li>Increasing spot checks of specific high-risk targets / facilities. At the beginning and end of each work shift, as well as at other regular and frequent intervals, inspect the interior and exterior of buildings in regular use for suspicious or unattended packages.</li> <li>Not leaving emergency response vehicles unattended. If it is necessary to leave the vehicle, lock it and check the vehicle and its chassis underside before opening the door and starting the engine.</li> <li>Checking all deliveries to facilities.</li> </ul>
Y-4			Check recall roster and recall processes for accuracy. Consider alternative work schedules of operational and staff personnel if the situation escalates. Include plans to maximize staffing and response capabilities with defined work / rest cycles.
Y-5			Identify any planned community events where a large attendance is anticipated. Consult with event organizers regarding contingency plans, security awareness, and site accessibility and control. Consider recommendations to cancel the event if warranted by the current situation.
Y-6			Increase the frequency of backups for critical information systems and review availability of technical support: e.g. systems programmers, technical personnel, redundancy of equipment, off-site storage of critical data, stockpile of critical spare parts, off-site data recovery , etc.
Y-7			Keep the public informed on current Homeland Security Threat Conditions and advisories.
